雲馥數位 CloudRiches

CloudRiches is the first company in Taiwan to achieve Microsoft MSP certification, specializing in comprehensive Microsoft cloud product solutions. It offers a range of cloud solutions and digital transformation services designed to enhance operational efficiency and foster business innovation.

雲界數位 eCloudEdge

eCloudEdge is a startup team that brings together experts from both Information Technology (IT) and Operational Technology (OT) fields, with over 20 years of extensive experience in industries such as manufacturing, renewable energy, power, and transportation. Our footprint spans more than 40 countries worldwide, empowering enterprises to accelerate the twin green and digital transitions.

創智動能 NeuroBrain

NeuroBrain is an innovative company focused on AI technology and intelligent solutions, dedicated to integrating Artificial Intelligence, big data analytics, Large Language Models (LLM), and training with cutting-edge technologies. It provides comprehensive support for enterprises in intelligent transformation, including applications in industries such as smart manufacturing, smart retail, and intelligent transportation.

雲璽科技 CloudSeal

CloudSeal is a cybersecurity startup composed of seasoned experts with extensive experience in government cybersecurity and cloud security. Specializing in compliance with international cybersecurity standards such as NIST 800-207 and CSA SDP, it empowers public-and private-sector organizations to fortify their digital defenses. Its mission is to deliver innovative, standards-driven solutions that safeguard critical systems and data against evolving cyber threats.

雲動力 Dynacloud

Dynacloud is an innovative company dedicated to providing cloud services and integrated solutions, focusing on multi-cloud architecture management, cloud resource optimization, data analytics, and the implementation of intelligent applications.

易上雲 EPN.Cloud

EPN.Cloud is a cloud-native distributor specializing in Software as a Service (SaaS) and cloud security solutions, dedicated to providing enterprises with the highest-quality products.

How eCloudvalley Can Help Your Business

Stage 1

Leveraging deep technical expertise, we uncover the root cause of our clients' challenges and architect the optimal solution.

Stage 2

We put the client's needs and perspectives first to create effective, empathetic, and user-friendly solutions.

Stage 3

With an agile methodology, we act quickly and stay flexible to adapt to changes.

Stage 4

Building strong relationships with our clients based on trust, transparency, and mutual respect is of utmost importance to us.

eCloudvalley Wins Business Weekly “AI Innovation Top 100” Silver Award

eCloudvalley Wins Business Weekly AI Innovation Top 100 Silver Award for Self-developed AI Agent solutions

- eCloudvalley participated in the Business Weekly “AI Innovation Top 100 Awards” with its self-developed AI Agents, which comprehensively enhance applications across MSP (Managed Service Provider), MSSP (Managed Security Service Provider), and KYC (Know Your Customer) processes. The company was honored with the Silver Award in the ICT Digital Cloud category.

- As AI evolves from internal applications to external enablement, eCloudvalley is creating win-win value for both the company and its customers. This achievement also demonstrates eCloudvalley’s strong commitment to helping customers seize forward-looking transformation opportunities in the rapidly evolving cloud ecosystem.

eCloudvalley, Your Gateway to Comprehensive Cloud Expertise

eCloudvalley helps enterprises achieve digital transformation through cloud infrastructure, cybersecurity, AI, and big data services. With proprietary platforms and products, it delivers efficient transformation and comprehensive AIoT solutions that boost operational efficiency and sustainability.

Cloud Managed Platform

An AI-powered cloud platform optimizes IT management, deployment processes, FinOps, and automation workflows.

Obtain ISO 27017 Security Standard

AIoT Edge Orchestration Platform

A powerful software platform that enables easy ETL of OT data and remote management of OT assets across distributed sites.

Accelerate your Digital Transformation Journey

AI Agent

Loaded with flexible module, support and integrate third-party systems including ERP and CRM, without limitation on scale and industry, accelerating enterprise digital transformation.

Build AaaS (AI as a service) ecosystem for enterprise

Managed Security Services Provider

An AWS MSSP that delivers round-the-clock managed security services and expertise in digital transformation.

AI & Data Analytics

Transform enterprises through AI, data modernization, and efficient deployment solutions.

Cloud Security

Ensure robust, compliant infrastructures and promote resilient, secure enterprise environments.

SAP ERP Services

One-stop cloud services for enterprise digital transformation that enhance SAP system value and reduce Total Cost of Ownership (TCO)

Customer Relationship Management

Build SFDC & D365 showcases for marketing, business, and service workflows, offering enhanced cloud solutions and a one-stop innovative experience for customers

Cloud Training

As an AWS Authorized Training Partner, we empower customers by advancing their cloud expertise and closing critical digital skills gaps.

Industry-Leading Expertise

Our professional services encompasses over **6 distinct industries** worldwide.

Software & Internet	Gaming	Telcos & Media	Technology & Manufacturing	eCommerce & Retail	Public Sectors & Financial Services
Ticketing Platform Consumer Electronics	Mobile Gaming VR/AR Gaming PC Gaming	Multi-media & Television Streaming Services	Semiconductors Electrical Machinery Manufacturing	E-commerce Retail	Local Government Banking Insurance FinTech
